

**Council of Graduate Students**  
**The Ohio State University**

## Delegate Meeting Agenda

**Date:** August 28, 2015  
**1<sup>st</sup> Fall 2015 Delegate Meeting**  
**Location** Ohio Union

---

Ohio Union Rm 2088A | 1739 N. High Street | Columbus, OH 43210 | (614) 292-4380 | [cgs@studentlife.osu.edu](mailto:cgs@studentlife.osu.edu)

---

**1. STATEMENT OF PURPOSE**

**1.1. To effectively advocate and program to ensure that The Ohio State University graduate student experience is the best it can be.**

**2. APPROVAL OF MINUTES**

**2.1. Minutes from June Meeting**

**3. Dean Osmer and Assoc. Dean Wallace**

**4. Senator Election**

**5. Vice President's report on Delegate Elections**

**6. OFFICER Updates**

**6.1. President**

**Bowers.461**

**6.2. Vice President**

**Fitze.1**

**6.3. Secretary**

**Pillai.30**

**6.4. Treasurer**

**Anderson.2299**

**6.5. Chief of Staff**

**Foste.1**

**7. NEW BUSINESS**

**7.1. Any Delegate Issues and Concerns**

**8. ANNOUNCEMENTS**

**8.1. September Meeting: Sept. 25 Ohio Union, Senate Chamber.**

**At the conclusion of this meeting, please consider attending the Graduate and Professional Student Picnic at the OSU Faculty Club from 4pm-7pm.**

## **Written Reports for CGS Meeting 8/28/2015**

**Current as of 11:00 AM 8/25/2015**

### **Officer Written Reports**

#### **Vice President/Megan Fitze.1**

- \* We have officially transitioned from Karen Munnely serving as Vice President to me as of 8/15/15. I am so grateful for all the hard work Karen completed over the summer to make this transition run smoothly. Also thank you, delegates, senators, and executive committee, for your patience during this transitional period.
- \* The delegate nomination and election dates have been set for the Autumn Semester. Nomination dates are: August 31-Sept 4 and Election dates are Sept 9-Sept 16th
- \* I have sent requests to all departments with open delegate seats and have received responses of support from 40 departments. Support has ranged from departments asking us to hang posters in their departments to inviting us to speak at events. As such, we have scheduled about 20 events that the members of the Executive team are speaking at to recruit for CGS delegate seats and committee seats.
- \* I have listed the departments with open delegate seats below. Please help us promote the elections this semester in any way you can. I have extra posters I can make for you to share, but I also encourage you talk to your fellow students about the merits of representing CGS as a delegate or committee member. If you need help with talking points, I am happy to provide you with resources.
- \* By now you should have all received your internal and external committee assignments. Please let me or our Chief of Staff, Zak Foste, (Foste.1), know immediately if you did not receive your committee assignment or cannot complete your committee duties for any reason.
- \* I will be holding open office hours regularly as soon as I have established my school schedule for the year. However, feel free to contact me at any time to set up a meeting to simply check-in, get to know each other, or with any questions or concerns.
- \* We have delegate seats open in the following departments:

College of the Arts: Art · Arts Administration, Education, & Policy · Design · Music College of Biological Sciences: Biochemistry · Biophysics · Environmental Biology · Evolution, Ecology & Organismal Biology (EEOB) · Microbiology · Genetics · Molecular, Cellular, & Developmental Biology · Botany

Fisher College of Business: Accounting & Management Information Systems · Business Administration (EMBA, MBA, PTMBA, MA, PhD) · Business Logistics Engineering (MBL, MBOE), Labor & Human Resources

College of Dentistry: Dentistry & Oral Biology

College of Education & Human Ecology: Human Sciences · Teaching & Learning · OSU Nutrition

College of Engineering: Aerospace Engineering · Architecture · Biomedical Engineering · Chemical Engineering · Computer Science & Engineering · Electrical & Computer Engineering · Industrial & Systems Engineering · Materials Science & Engineering · Mechanical Engineering · Nuclear Engineering · Welding Engineering

College of Food, Agriculture, & Environmental Sciences: Agricultural, Environmental & Developmental Economics · Animal Sciences · Entomology · Food Science and Technology

Glenn College of Public Administration: Public Administration

College of Humanities: African American and African Studies · Comparative Literature & Languages · East Asian Languages & Cultures · English · Classics · History · Linguistics · Near Eastern Languages & Culture · Philosophy · Slavic & Eastern European Studies

College of Law: Law

College of Mathematics & Physical Sciences: Astronomy · Chemical Physics · Chemistry · Geodetic Science (MPS) · Geology · Mathematics · Statistics · Biostatistics

College of Medicine: Anatomy · Integrated Biomedical Sciences · Medical Science; Pathology; Pharmacology · Neuroscience · Occupational Therapy

Nursing: Nursing; Nursing Practice

College of Public Health: Health Services, Management & Policy · Public Health · Preventive Medicine

College of Social & Behavioral Sciences: Atmospheric Sciences · Communications · Economics · Geography · Psychology

College of Social Work: Social Work

College of Veterinary Medicine: Comparative & Veterinary Medicine

### **Treasurer/Roger Anderson.2299**

A complete report of CGS's budget will be forthcoming.

We have successfully completed the first round selection of the Ray Travel Award. A big thank you to our judges for their commitment to fairness, responsible management of time, and insightful feedback to our applicants.

Please contact anderson.2299 if you would be interested to learn more about serving as a Ray travel judge for the second funding period.

Applications for the second funding period (conferences between December 18-May 3, 2016) are due: October 2, 2015.

For more information, see the website:

<https://cgs.osu.edu/funding-opportunities/ray-travel-award/>

### **Chief of Staff/Zak Foste.1**

Over the last two weeks I have been working with our Vice President, Megan Fitze, to notify delegates of their committee placements.

I attended a candidate brunch for one of the two office associate candidates for the student government suite. As of this writing The Office of Student Life was still in the process of reference checks on the two final candidates.

### **Standing Committee Reports**

**Elizabeth Sandoval.32, Grants Administration:  
Olga Kondratjeva.1, Career Development Grant:**

#### Career Development Grant:

- The summer round of applications went well! There were 20 applications, and 12 awardees.
- The next round of applications is due on October 2, 2015 for activities roughly in the spring semester (December 18, 2015 - May 3, 2016).
- Please remind your delegates of these deadlines, and that they are welcome to apply even if they have not yet received confirmation that they have been accepted into their workshop, conference, etc.
- We have handbills for the coming year! Please distribute these in your department and hang one so your constituents can see it and be encouraged to apply for money.
- Since some delegates may be new, I'll let you know that the purpose of this grant is one of 4 funding opportunities the CGS offers.
- The CDG awards up to \$350 for any activity that forwards your graduate career and prepares you to be competitive in the job market. Activities can include, but are not limited to, workshops, internship travel, licensure fees, and study materials.
- Essentially, the only thing the CDG does not fund is research because there are many other grants available for that.
- Even just writing the application helps you to contextualize your goals and how you will reach them.
- More information is available at: [http://cgs.osu.edu/funding-opportunities/development\\_funding/](http://cgs.osu.edu/funding-opportunities/development_funding/)
- If you would like to judge for this award in the fall, please contact Olga Kondratjeva.1.
- Olga has kindly agreed to run the grant this fall while I'm away. Olga has not only won the award, but she has judged for it several times, so she is well-versed in all things CDG. Please lend her your support!
- We need judges from across the university to objectively review applications.
- Since it is an online process, you can judge from home.
- Judges find it an enjoyable experience and learn so much from other applications.

#### Global Gateway Grant:

- This grant supports summer research abroad, especially in a country in which OSU's Global Gateway Program already has established collaborative work: China, India, and to come Turkey and Brazil.
- The award is funded equally by the Office of International Affairs, the Graduate School, and CGS.
- I will put out a call for judges around January 2015, and the application will be due around February or March 2016.
- More info. and links can be found at: <http://cgs.osu.edu/funding-opportunities/global-gateway-grant/>

### **Colin Odden.2, University Area Commission**

University Area Commission meets every 3rd Wednesday in Rm 100 of the Northwood-High Building, 2231 N High St. Meetings are open to the public, who are encouraged to attend. Meeting agendas and minutes are posted at <http://universityarea.org/>. More frequent updates are posted at <https://www.facebook.com/UniversityAreaCommission>.

#### Safety and Crime:

Columbus Police are working with the university to further investigate a robbery that occurred at 11th & College on August 16th. The beginning of the school year is often accompanied by a spike in crime, particularly theft. Students are reminded to keep windows and doors locked regardless where they live, and to take advantage of OSU Off-Campus and Commuter Services' free alarm and timer program, <http://offcampus.osu.edu/safety/enhance-your-home-security/>.

#### Construction:

Campus Partners received City Council approval for a change in zoning that allows them to proceed with sweeping changes along High St between 14th and 17th Aves. This project includes the demolition of many buildings along this stretch and replacement with taller, denser construction including but not limited to a planned hotel and parking garage, as well as a park to be placed at the northeast corner of High St & 15th Ave.

Edwards Construction continues to prepare for construction on a 7-acre parcel between 9th & Euclid Aves directly south of the South Campus Gateway. This project, termed 'South Campus Gateway II,' includes retail and high-density student-oriented housing along High St. and smaller apartments east of High.

Both of the above changes follow the 2001 A Plan for High St, <http://campuspartners.osu.edu/assets/documents/APlanforHighStreet.pdf> and much of the development will conform to the revised University District Plan, <http://www.columbus.gov/universitydistrictplan/>.

#### Services:

Power outages have been frequent in the neighborhoods around the University, and the Commission and other area citizen groups are appealing to AEP and City of Columbus for solutions. If you or your constituents live in the area and have experienced frequent or long electrical outages, please forward your reports and concerns to Colin Odden, [odden.2@osu.edu](mailto:odden.2@osu.edu).

The City of Columbus ceased its proactive refuse pickup program during the "student move-out" period. If you live in a neighborhood near campus and were affected by the quantity (or quality) of garbage resulting from the mass move, please contact Colin Odden, [odden.2@osu.edu](mailto:odden.2@osu.edu).

## Summary

---

MBA candidate graduating from The Ohio State University May 2016 majoring in Strategy and Business Analytics looking for opportunities in the health care and life sciences industries that combine a background in pharmaceutical research with qualitative and quantitative business frameworks to drive growth and profitability while transforming patients' lives through better treatment outcomes

## Experience

---

Process Improvement Intern, Indiana University Health      Indianapolis, Indiana June 2015 – August 2015

- Examined patient claims data to monetize the impact of an \$80 million, 5 year population health partnership to identify shortcomings between clinical effectiveness and realized financial benefits
- Restructured skilled nursing facility provider network to improve quality of care, decrease average length of stay, and reduce annual nursing facility expense by an estimated \$2.6 million

Strategy Consultant, Global Applied Projects – OneHealth      Bangkok, Thailand March 2015 – May 2015

- Collaborated with a group of OSU MBA students and The OneHealth Initiative to redesign and implement a strategic communications plan for a South East Asia Region public health congress
- Identified, contacted, and met with potential congress sponsors to close a quarter million dollar funding gap

Formulation Scientist, Allergan (formerly Actavis)      Salt Lake City, Utah May 2011 – July 2014

- Led formulation research, process development, and production support projects focused on transdermal, topical, and transmucosal opioid delivery systems.
- Formulated Allergan's generic Suboxone which has been accepted by the FDA and launched Q1 2015 90 million dosages
- Implemented Quality by Design and Design of Experiments process to improve product quality and accelerate research and development technology transfer to manufacturing
- Spearheaded research for two new dosage forms for the Salt Lake site and built the necessary supplier relationships to support these drug delivery technologies through site visits, video conferences, and teleconferences
- Collaborated closely with legal counsel to identify, evaluate, and track intellectual property for all new research projects in the group

## Education

---

Masters of Business Administration, Strategy and Business Analytics, 3.9/4.0 GPA      Spring 2016

The Ohio State University Max M. Fisher College of Business

- University Fellowship Award – Merit-based full tuition scholarship and stipend
- Fisher Elite Leadership Development Program
- Fisher Business Analytics Association Leadership
- Graduate Minor in Statistical Data Analysis
- The Ohio State University - Committee on Academic Misconduct

Bachelor of Arts, Chemistry, Honors Degree, 3.9/4.0 GPA      2013

The University of Utah

- Honors at Entrance Scholarship – Four year, merit-based full tuition scholarship

## Additional

---

- Analytics and visualization expertise with SQL, SAS, Tableau, Power BI, and Google Dev tools
- Eagle Scout
- Fluent bilingual English / Brazilian Portuguese, Served as a full-time, self-supported, volunteer representative for The Church of Jesus Christ of Latter-Day Saints in Brazil's Amazon Basin from September 2007 to September 2009
