

**Act 1314-SP-011: An Act Establishing the 2014-2015 Delegate Apportionment**

Author: Jamie Crowsley (.1) Vice President, Organization and Elections Chair

Sponsor: Executive Committee

**Section 1.** The purpose of this act is to set the 2014-2015 Delegate Apportionment for the Council of Graduate Students, in accordance with Article I Section I.2 and Section I.3 of the CGS Bylaws.

**Section 2:** Whereas, Article I Sections 2 through 3 of the Constitution of the CGS is as follows:

*“Section I.2: Units of representation - Units of representation of CGS shall be determined by the Organization and Elections Committee. Units will be based on, but not necessarily limited to, graduate program areas: exceptionally large programs may be split and exceptionally small ones grouped.*

*Section I.3: Apportionment - CGS shall be composed of not more than one hundred fifty voting delegates and no fewer than one hundred thirty. The number of delegates per unit of representation shall not exceed twelve. Each spring, the Organization and Elections Committee shall apportion these positions to the graduate programs on the basis of autumn semester enrollment. Each unit of representation shall have at least one delegate. Each regional campus with graduate representation shall be allotted one delegate seat. The number of regional seats shall not exceed five.” and,*

**Section 3.** Whereas, in addition to the above criteria stipulated in the CGS Bylaws, this act has apportioned delegates seats based upon a ratio of 125 graduate students equating to 1 delegate seat, and a maximum cap of 4 delegate seats per unit of representation, as was determined by the Organization and Elections committee. This is to ensure that the total number of seats falls within the 130 minimum and 150 maximum seat range and also to meet the criteria of being no more than 12 delegate seats per unit of representation stipulated in the CGS Bylaws.

**Section 4.** The 2014-2015 Delegate Apportionment will be as shown in the table below:

Current Delegate Seat 2013-2014	2013-2014 Delegate Apportionment	Actual Delegates	Proposed Delegate Seat 2014-2015	Fall 2013 enrollment	2014-2015 Proposed Delegate Apportionment	Net Change in Delegates
