CGS 2019-2020 Demographics Report

At the beginning of the academic year the Council of Graduate of Students identified diversity and inclusion awareness, programming, and education as a priority and as something essential to the future of our Council and betterment of all graduate students at The Ohio State University. In offering these programs more questions and needs arose, one of those requiring us to look internally to see if we, as the official graduate student government, reflected the community we aimed to serve.

Thus, in autumn 2019, we formed a three-person committee charged with surveying the Council and issuing a final report of demographic findings in comparison with the overall university graduate student body. The committee consisted of our Diversity & Inclusion Chair, Andrea Davis; our Chief of Staff, Jack Brandl; and our Treasurer, DaVonti' Haynes. Today, we are pleased to release the findings of that group and share the [official report](#) with you.

As we continue to move forward and learn from these finds, we will continue to prioritize diversity, inclusion, and equity efforts within our community and across the university. We look forward to collaborating with you and many other campus partners to ensure The Ohio State University is as welcoming and inclusive as possible for all students, staff, faculty, and visitors.

To read the full report, visit the CGS [demographic report site](#).

The Council of Graduate Students (CGS) is proud to announce the release of its 2019-2020 Buckeye Diversity Dialogue Series lineup.

The **Buckeye Diversity Dialogue Series** provides opportunities for Ohio State graduate students, faculty, staff, and community leaders to have intentional conversations about relevant issues of equity, diversity, inclusion, social justice, and much more.

These conversations are designed to be an informal gathering, over lunch, to allow participants to learn from and educate one another. Although each event has a theme, the goal is to encourage participants to determine where the conversation goes.

The Buckeye Diversity Dialogue Series is meant to be a catalyst for discussion on difficult topics, as it relates to diversity and social justice.

This program is only open to graduate students at The Ohio State University. Due to the nature of the conversations, each event will be limited to 10-15 graduate students, registration is on a first come first serve basis. **Students can register online at go.osu.edu/buckeyediologue**

Lunch will be provided for each participant, in partnership with [Student Life Dining Services](#).

The Health, Wellness, & Safety Committee is hosting a Spring Wellness Event on Wednesday, April 15th in the RPAC (meetings rooms #1 and 2) beginning at 1pm.

1. CALL TO ORDER: Meeting called to order at 3:39pm

1.1. Statement of Purpose

- 1.1.1. To effectively advocate and program to ensure that The Ohio State University graduate student experience is the best it can be.

2. ROLL CALL

2.1. Carmen log-in

3. Guest Speakers from University Offices

3.1. Student Legal Services (Molly Hegarty.14)

- 3.1.1. Student Legal Services in an independent office that contracts with OSU. They offer legal services for students, both civil and criminal. There are inter-related offices at other Ohio schools and any OSU student is eligible to use these services at these other schools if they have need while not in the city of Columbus. This office handles issues between landlords and tenants, immigration and naturalization, and criminal misdemeanors, among other things. They are committed to helping students whenever possible and will refer a student to another OSU office or community when necessary.
- 3.1.2. This office is not a mandatory reporter because they are not part of OSU.
- 3.1.3. Any student in a degree seeking classroom not taking classes exclusively online who has paid the SLS fee before the Tuition & Fees deadline is eligible to use these services at any time.
- 3.1.4. This office offers estate planning and advanced directives services, which is especially important for graduate students who are married and have children. They can also do "Will Clinics" where representatives come to the programs for 2 sessions 3 weeks apart.
 - Williams.6571 asked whether regional campus students are able to use these services.
 - Because students at regional campuses do not pay the same fees, they are not eligible to use these services, with the exception of Wooster, which is considered part of main campus.
 - Magee.13 asked if students who are small business owners can come to this office for legal advice or representation.
 - The office will set up a meeting for someone who is considering beginning the

process but will not provide continued representation.

- Fahrbach.5 offers that Moritz College of Law has an entrepreneurial law clinic focused on this issue that students can take advantage of.

3.2. BuckISERV (Rebecca Delo.1)

- 3.2.1. This program is an alternative break program hosted 3 times a year that sends students to service sites across the country and internationally to learn about social justice topics and engage with the community. Each year, there are about 10 international and 70 domestic trips planned and over 1,000 students who participate. The program has several permanent staff members but is mostly driven by a small group of undergraduates who do all of the organization and planning.
- 3.2.2. Graduate students are eligible to be advisors on service trips and the trip is free for them. This is a great opportunity for community engagement and leadership experiences to bolster your CV. Applications to be an advisor for either spring or summer are due January 19th.

4. APPROVAL OF MINUTES

4.1. Minutes from December 6, 2019

- 4.1.1. Shah.1285 motioned to approve the minutes.
- 4.1.2. Motion was seconded by Zib.1.
- 4.1.3. Minutes approved.

5. OFFICER REPORTS (as submitted in Delegate Meeting Packet)

5.1. President (Post.144)

- 5.1.1. On January 23rd, there will be a meeting of representatives from Student Life, IPC, Facility & Planning, and CGS to talk about issues revolving around students with families. This meeting will touch on the Buckeye Village issue specifically. Post.144 also met with community member Tanya Yepsen who plans to meet with developers to potentially push forward a new housing project within the community that may be an alternative housing options for students with families.
- 5.1.2. Post.144 and Haynes.242 are scheduled to meet with Dave Wiseley, the Chief Financial Officer for the Office of Student Life, about issues related to grant funding and reimbursement lag times.
- 5.1.3. Provost McPherson will be here to talk with us next meeting so please come with questions prepared. Additionally, if there are other people you would like to talk to CGS, please submit their names.
- 5.1.4. CGS will have representation on the advisory committee being put together to select the next President of the university, which will begin to meet in July. There is an entirely separate selection committee that is composed entirely of trustees. The three student governments are drafting a letter requesting student representation on the selection committee as well as the advisory committee, perhaps a student trustee.
- 5.1.5. By the end of the semester, Duo secondary authentication will be needed to log into Buckeyemail.
 - In the past, hard keys were available to bypass this need for students who did not have a smart phone. LaRosa.15 asked whether this will be an option now.

5.2. Vice President (Bauman.193)

- 5.2.1. The 2020 Hayes Forum still needs judges for the day of the conference so nominate your professors! If there is a place in your department to post signage about this event, please take a poster.
- 5.2.2. We need to fill a vacant senator position on the Distance Education, Libraries, and Information Technology committee so if you are interested in serving for the rest of the semester, please get in touch.
- 5.2.3. Elections are coming up next semester (first one is officer elections at the March meeting). Encourage your peers to run for these positions because word of mouth is the best way to fill delegate seats. Our February meeting opens the application period for both officers and senators.

5.3. Treasurer (Haynes.242)

- 5.3.1. As of January, we have spent about 48% percent of our budget so far this year and we need to keep spending because we can only carry over about 10% of unspent money to next year. About half of the money spent has gone to grants funding.
- 5.3.2. Delegate Outreach Grant has been renamed the Delegate Engagement Fund to avoid confusion from

non-delegates. 7 awards have been funded so far and there is still money left.

- 5.3.3. Funding period 4 of Ray is open for travel between April 1 and May 30 and applications are due February 1st.
- 5.3.4. The demographic report had a high response rate and we just got a draft back from Marketing. The final report will be published next week.
- 5.3.5. CGS is hosting a Diversity campaign in the spring and we need delegates to participate. There will be a photoshoot on January 16th in the Resource Room beginning at 1:15pm. Please stop by for a few minutes if you are able. Later this month on the 21st, there will be a video shoot which also needs student participation (RSVP required for this event).

5.4. Secretary (Light.109)

- 5.4.1. Funding period 4 of the Career Development Grant is open for travel between April 1 and May 30 and applications are due February 1st.
- 5.4.2. CGS will be hosting an awards ceremony on Monday, April 13th. This event will recognize all winners of the Ray, Career Development Grant, and the Global Gateway Grant over the past year. Additionally, we will be thanking all current delegates, senators, and officers of CGS for their service this academic year and welcoming students who will be taking over these positions. Finally, we will award several CGS awards to recognize students and faculty who have gone above and beyond both within CGS and in the greater OSU community. All current delegates are invited to this ceremony and a formal invitation is forthcoming.

5.5. Chief of Staff (Brandl.8)

- 5.5.1. None.

6. COMMITTEE CHAIR UPDATES (as submitted in Delegate Meeting Packets)

6.1. Delegate Relations (Sarich.6)

- 6.1.1. CGS will be hosting a winter party open to all graduate and professional students on January 17th at 8pm at TRISM. Tickets are \$10 ahead of time (\$15 at the door) and the first 200 people to purchase tickets will receive a free drink at the party. Please share and invite all your constituents as we need to sell 200 tickets to break even on this event.

6.2. Health, Wellness, & Safety (Clott.1)

- 6.2.1. The committee is hosting a spring Health and Wellness event on Wednesday, April 15th in RPAC meetings rooms 1 and 2 beginning at 1pm. More information to come.

6.3. Government Affairs (Lomaxvogt.2)

- 6.3.1. 2020 is a big election year so make sure you are prepared to vote.
- 6.3.2. The committee is organizing discussion sessions with local government officials so if you are interested in attending, please get in touch.

7. SPECIAL ORDER ITEMS

7.1. Delegate Concerns

- 7.1.1. Haynes.242- The number of student tickets sold for athletic events has dropped dramatically and the Athletic Council is discussing several options. They include allowing part-time students to purchase tickets, reducing the number of student tickets available, and making a graduate student only section within the stadium. Anyone interested in this issue, please give your feedback to Haynes.242. Starting academic year 2022-23, the price of student tickets will likely increase because a freeze will expire.

8. NEW BUSINESS

- 8.1.1. None

9. ANNOUNCEMENTS

- 8.1 Next meeting is February 7th, 2020 @ 3:30pm, Moritz Saxbe Auditorium

10. Meeting adjourned at 4:48pm.

Re: Treasurer's Report February 2020

Hello CGS Delegates,

CGS Budget Update

I have not received a new 90/91 report since our last meeting (we receive them once a month), so I will include a more detailed budget update next month. We've had a few charge come through, most from Hayes and the Diversity and Inclusion Committee campaign.

Delegate Engagement Fund

Please continue to take advantage of the Delegate Engagement Fund, you may request up to \$200.00 per event. We will try to spread those funds out across departments and colleges, to ensure everyone has the chance to use this grant. **Remember all delegate engagement fund requests must be sent to Jack Brandl.8 AND myself (haynes.242).** As of today, we have awarded 9 delegate engagement fund awards.

Please remember there is a **three week requirement for submitting Delegate Engagement Fund request**, to ensure we have proper time to review them, make a decision, and forward them on to Teresa so she can then forward them on to the business office for processing. Please use the NEW application form that is now live on the CGS website.

Ray Travel Award

Funding period IV window closed on February 1st to support conference travel between April 1st and June 30th. We will begin the review process this week and (hopefully) notify applicants by February 28.

RE: President's Report

Hello All! Thank you to all of those who attended the CGS' Winter Party; I hope you all had a fun and relaxing time! At our upcoming **February 7th Delegate Meeting**, we will have the **Provost of The Ohio State University, Dr. Bruce McPheron**, coming in as our guest. This will be a 10-15 minute overview of the Provost's work and then 20-30 minutes for Q&A where he will be open to answering questions about how this office is supporting us and working to solve certain issues. Please come with questions and issues that you hope to raise to the Provost in preparation for this meeting!

The Ohio State University Presidential Search Feedback and Town Hall

As many of you have heard, President Drake will step down as President after serving through the end of this academic year. The Presidential Search Committee, chaired by Trustee Lou Von Thaer, is seeking input from groups across Ohio State and beyond, including faculty, staff, students, alumni, friends and partners.

I will be serving as the Graduate Student representative on the committee, thus am seeking input from you all as delegates, other graduate students, and the broader Ohio State community in order to identify the qualities, skills, attributes and experiences desired in a candidate. Thus alongside the Inter-Professional Council, we are hosting a Graduate/Professional Presidential Search Town Hall on **Tuesday, February 11th @ 6:30pm** in the **Saxbe Auditorium of the Moritz College of Law's Drinko Hall**.

If you have candidate suggestions, please submit them in confidence to Isaacson, Miller at www.imsearch.com/7408. There is also a link to this page via the trustee search website trustees.osu.edu/presidential-search. If you have additional thoughts, there will be a feedback submission tool on the search website, or they can be submitted directly at trustees.osu.edu/presidential-search/input-comments.

Suicide Prevention Walk: Out of the Darkness – Sponsoring and CGS Team

Council of Graduate Students (CGS) will be a sponsor for the inaugural OSU walk to fight suicide in the "Out of the Darkness The Ohio State University Campus Walk"! On April 4th, 2020 from 9-11am in Larkins Plaza, we will be joining thousands of people walking in hundreds of campuses across the country this spring in support of the American Foundation for Suicide Prevention's mission to save lives and bring hope to those affected by suicide.

You can join our team as a walker, and/or donate as part of the CGS team by visiting our fundraising page here: afsp.donordrive.com/index.cfm?fuseaction=register.start&eventID=6600&teamID=250479!

CGS Resources

As always, the CGS.OSU.EDU website should be up-to-date so you have easy access to any necessary resources and know where to point fellow grad students when they ask for more

information! Additionally, the CGS Carmen page is updated to provide delegates access to any info, documents, or other resources you may need.

Please follow CGS on social media via our pages on [Twitter](#), [Facebook](#), and [Linkden](#). This will allow you to stay up-to-date with programming, event/meeting reminders, and other great resources that we encourage you to share on these platforms. Our handles are @CGSOSU.

The Arts and Culture Committee has two ticket lotteries set up for February. The first is for Ballet Met's performance of *Alice* on Saturday, February 15 at 8:00 pm and Sunday, February 16 at 2:00 pm. You can enter for the Saturday performance here: <https://ouab.osu.edu/Secure/lottery/events/?eventId=168> and for the Sunday performance here: <https://ouab.osu.edu/Secure/lottery/events/?eventId=169>.

We will also have a lottery for *Say a Little Prayer: An Aretha Franklin Celebration* on Saturday, February 22 at 8:00 pm at the Lincoln Theatre. I will send a link for that lottery as soon as I have it! Both lotteries are open to all graduate students, so please be sure to pass along to your constituents.

The committee is currently in the process of gathering information in order to make recommendations to CGS regarding the Hayes Forum and grants programs and how these programs can better serve students in the arts. We have sent out a survey to graduate students in arts programs at the university soliciting their feedback on their experiences applying for these programs. The results of this survey will be combined with research conducted by the committee on how arts fields solicit proposals for creative and practiced-based research in order to develop our recommendations.

Finally, we are planning a cross-disciplinary symposium for April 17 and are currently accepting proposals. Please circulate the following CFP to your departments:

CALL FOR PROPOSALS

**Art and Science in the Age of Self-Care: A Cross-Disciplinary Symposium
April 17, 2020, Ohio Union**

Sponsored by the Council for Graduate Students Arts and Culture Committee

In a culture inundated by images of face masks, wellness apps, and affirmatory phrases, what is the meaning of self-care today? Though increasingly monetized, self-care is at its essence self-regulated maintenance of one's mental and physical wellness. But African American activist and feminist writer Audre Lorde also defines self-care as an act of radical love in the face of institutional injustices: "Caring for myself is not self-indulgence, it is self-preservation, and that is an act of political warfare." This symposium looks to how the arts and sciences can work together to support the overall wellness of individuals and communities in ways that are both practical and potentially revolutionary.

The CGS Arts and Culture subcommittee invites papers, performances, and short presentations that discuss the intersection between the arts and sciences in ways that impact wellness or self-care. How are emergent fields such as Applied Theatre, Art, Dance, and/or Music Therapy, and the Medical Humanities complicating our understanding of wellness and

community building? How is Ohio State participating in such groundbreaking research? How can the arts and sciences collaborate in ways which can have a greater impact on the world beyond the university?

In gathering participants, presenters, performers, and workshop facilitators for this event we hope to capitalize on existing interdepartmental relationships and facilitate the growth of more cross-disciplinary opportunities for collaboration. To propose a paper presentation, please send a title and a 250-word abstract to cgsartsandculture@gmail.com by **Monday, February 17, 2020**. If you are interested in facilitating a practice-based workshop or a Salon Performance, please send a brief description (or script, if applicable) articulating the central theme of your offering as well as any technical/spatial concerns.

Possible topics include:

- Art and Ecology
- Bioart, Biology and/as Artistic Practice
- Capital and Self-Care
- Discourses of Wellness
- Environmental Justice
- Environmental Art
- Feminist Discourses of Self-Care
- Poetry and Short Story Readings on Wellness and Self-Care
- Medical Humanities
- Medical Activism
- Race and Medicine
- Discourses of Sustainability and Resilience
- Wellness in Academe

TO: The Council of Graduate Students, Delegates
FROM: Mark Pauley - Delegate, Chair – Graduate Student Affairs
DATE: 02/07/2019
RE: Secretary's Report

Delegates,

Please find some of the pertinent updates for the Graduate Student Affairs Committee since our last delegate meeting on 01/10/20 below:

- We forwarded the results of the “U Got This?” survey on to the Office of Institutional Equity and will be checking back in with them in the coming weeks. Broadly-speaking, the results showed that 55.6% of respondents found the training to be informative, 48.1% of respondents found the content to be triggering, and 88.9% of respondents did not realize that there was an opt-out feature.
- We are working towards collecting relevant data from the University Registrar's Office as it pertains to student residency and the turnaround times associated with those decisions.
- The Health, Wellness, and Safety Committee has expressed an interest in writing a resolution as it pertains to the Lyft Partnership (the specifics of which I will leave for them to share), so our committee will be assisting them in that effort, given our prior work on this. We recently discovered that the University has been shifting around student safety funds and are working towards figuring out if and how that directly affects and/or benefits this partnership. Also, Lyft sent out an announcement this past Friday (01/31) announcing that the subsidy per ride has increased from \$5.00 to \$6.50. We are working diligently to stay on top of every piece of news as it comes to light.

I thank you for your attention and look forward to addressing any comments, questions, or concerns you all may have. Please direct anything to Pauley.66@osu.edu, or to any member of my committee and we will be happy to work with you.

TO: The Council of Graduate Students Delegates
FROM: Blake Szkoda, Chair of CGS Senate Advisory Committee
DATE: 2/1/2020
RE: Senate Advisory Committee Chairs Report

Delegates,

Please review the individual reports from your senators enclosed in the packet. Please be advised that Senator elections for the 2020-2021 academic year are coming up in the March/April CGS delegate meeting. Serving in the senate is a wonderful opportunity to advocate for the needs of graduate students on a larger scale than within the CGS meetings. In addition, if anyone is interested in serving as the next Senate Advisory Committee Chair, please let me know. Ideally, this person will be elected as a senator during the coming elections and will have experience as a senator and/or on the CGS executive committee, but these last two qualifications are not 100% required.

In the future, this committee will likely be changing its name from "Senate Advisory Committee" to something along the lines of "The CGS Senators Committee" or "The Graduate Student Senators Caucus". Additionally, the name "Senate Advisory Committee Chair" name may also be changing to something along the lines of "Graduate Student Senator in Chief". CGS President Stephen Post and I will draft an act for this in the coming months. The rationale for the name change is to more accurately reflect the composition and mission of the committee. If you have any questions/concerns about this name change, please let me know.

Best wishes to all of you! If you have any questions for myself or the CGS senators, please don't hesitate to reach out at Szkoda.1@osu.edu.

FROM: Carly LaRosa, SERC Chair
DATE: 2/7/2020
RE: SERC Report

Partnership with Idea42

SERC is in discussion with Ideas42 to establish whether we can help facilitate and market energy conservation initiatives in the city of Columbus and the off-campus area, specifically.

Ideas42 is an organization which uses behavioral science to address social problem, and aims to help the City of Columbus and its SMRT City Challenge Initiative take advantage of the US\$2mm awarded to the City by Bloomberg Philanthropies through the American Cities Climate Challenge. The goal is to reduce by 20% per-capita energy consumption by the end of 2020.

Our partnership with Ideas42 would primarily be to help distribute information regarding the utilization of smart thermostats, to help promote the adoption of these technologies to both save students money in terms of utility bills as well as reduce per capita energy consumption.

Sponsorship of Net Impact Case Competition

We will be sponsoring a case competition for both undergrad and graduate students, with the goal of increasing students' understanding of the university's sustainability schools, while also helping us as a community meet them. Students from various majors will be challenged to develop a response to a strategic prompt in a case competition style format in Spring 2020, then re-engage the following year to pilot their idea on campus
