

CGS Co-sponsor

Purpose: The purpose of co-sponsorship is to broaden the opportunities of graduate students by enabling groups such as University departments, student organizations, and non-university groups to partner with the Council of Graduate Students to provide graduate students with unique educational, cultural, and social opportunities. Co-sponsorship is more than just a cash subsidy and should entail a partnership in resources and planning between the Council and the requesting organization.

Organization Name

Primary Contact

Term of Request / Year of Request

Event or Project Name

Date (s)

Time(s)

Location(s)

Target Audience

Estimated Audience

Requested Amount (not exceeding \$500)

Please describe the event, its benefit to graduate students, and other confirmed or expected co-sponsors.

Please describe your plan for the event's execution (information about volunteers, bookings, speakers, etc.)

Please explain how CGS will be involved in the event, how many CGS volunteers will be involved in the event's planning, and how CGS will be recognized as a co-sponsor of the event.

Event/ Project Budget Breakdown

How will the event be assessed?

Please return this document to the appropriate CGS Committee Chair with whom you are seeking co-sponsorship. Committee Chairs should return a copy to CGS Treasurer Roger Anderson (anderson.2299@osu.edu).
