5
6 WHEREAS one of the stated goals of The Ohio State University Climate Action Plan is to become carbon neutral by
7 2050; and

8
9 WHEREAS eliminating food waste and making more sustainable food choices is one way the student body can help to
10 meet this goal; and

11
12 WHEREAS the afternoon timing of the delegate meeting makes full meal service inappropriate leading to large volumes
13 of waste; and

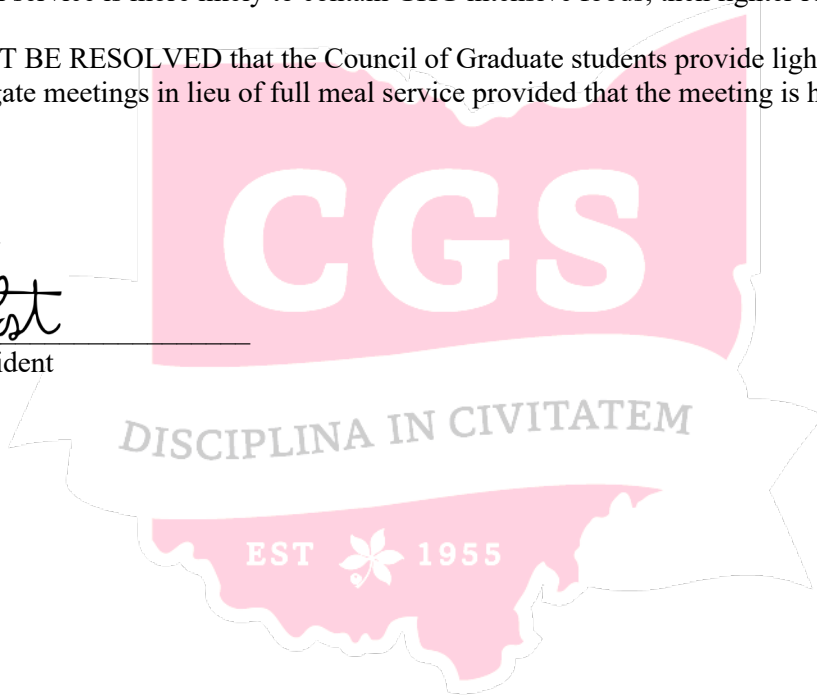

14
15 WHEREAS full meal service is more likely to contain GHG intensive foods, then lighter refreshments;

16
17 THEREFORE LET IT BE RESOLVED that the Council of Graduate students provide light snacks, coffee and
