Services and Resources Supporting Research

library.osu.edu/researchcommons

What is the Research Commons?

- Ohio State's hub for collaborative and interdisciplinary research that is both expertise and technology enabled
- A place of connection – connecting researchers to each other and to services that support and enable research
- Built around services for researchers – workshops, referrals, consultations, and a space to showcase research output
- A place for interdisciplinary collaboration – focused around Data Management, Digital Humanities, and Geographic Information Systems

How Can the Research Commons Help You?
